IMPROVING CLINICAL DECISION MAKING

Welcome

Dear colleagues, dear friends,

Welcome to Amsterdam!

Over the past months, the patient case challenges have set the stage for what lies ahead. During the next two days, we will focus on one key question: **How can the latest evidence be translated into better care for patients with prostate cancer?**

To explore this, we have brought together an international multidisciplinary faculty to present the latest data and discuss their implications for daily clinical practice in an interactive setting.

We encourage you to challenge perspectives, exchange ideas, and share your experiences with colleagues and experts. We hope you leave Amsterdam with new insights and practical takeaways that you can immediately apply in your practice.

Welcome to PROSCA 2026 and enjoy the meeting.

Accreditation points

PROSCA 2026 - Global Forum on Prostate Cancer (14th edition), Amsterdam & hybrid, The Netherlands, 04/12/2026-05/12/2026, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **10.5** European CME credits (ECMEC®s).

Accreditation Statement: Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credits to AMA credits can be found at https://edhub.ama-assn.org/pages/applications. Live educational activities occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
